

Questionnaire for Metallic Materials

Producer / Sender:				Consignee:				
				W. C. Heraeus GmbH Heraeusstr. 12-14 D-63450 Hanau				
Description:								
Customer's Ref.:								
Quantity:		gross:			net:			
Packing:		kind:			No.:			
1) Texture (please tick where applicable):								
bars		grains		metal pieces		others (please fill in, if applicable):		
Maximum bar weight: 30 kg ; maximum weight per container / drum / box: 200 kg								
2) Composition (please indicate in % or ppm)								
Precious metals:								
Au:	Ag:	Pd:	Pt:	Rh:	Ir:	Ru:	Os:	Re:
Other components:								
For metals, please also indicate, whether they are contained in metallic form, as dust, oxides or salts. For components not contained or contained under the limits indicated below, please indicate "n.a."								
Category 1 –								
To be indicated in any case without any lower limit								
Hg:								
Category 2 –								
Radioactive components, including indication of activity in becquerel, if exemption level according to StISchV (German radiation protection ordinance) is exceeded.								
Category 3 –								
To be indicated, if content is 10 ppm minimum								
Be:		F:		Cd:		As:		
Category 4 –								
To be indicated, if content is 0,1% minimum								
W:	Mo:	Sb:	Bi:	I:	Ni:	Se:	Te:	
Ti:								
Category 5 –								
To be indicated, if content exceeds is 1% minimum								
C:	Fe:	Al:		Cr:	Co:	Pb:	Ta:	
S:	Cl:	Br:	K:	P:				

3) Classification according to legislation regarding transport, waste disposal handling and use

EC list of wastes:			Basel Annex IX :	
	yes	no	OECD-Code :	
Hazardous material in terms of transport regulations			UN-No., class, packing:	
Hazardous substance in terms of Ordinance on Hazardous Substances			Classification according to Ordinance on Hazardous Substances	
EU-MSDS is attached?			Implicitly required for material requiring supervision, material with OECD-code according to the amber list and hazardous substances according to § 4 of the Ordinance on Hazardous Substances.	

Note: the information given in this questionnaire do not release the producer/supplier from any obligations related to the above mentioned or other applicable ordinances.

The producer/supplier assures, that he has indicated all known facts which might affect the security of employees or equipment of Heraeus. He confirms with the signature below that the information given is complete and correct.

Place/Date

Name/Tel.

(please write in block letters for any queries)
